Patrolman, Kyle Elliott, stated he has been plowing town roads, cutting brush, washing the town trucks, and attended the MSHA safety training on February 9th.

Business Items:

Matt Miller presented the board with the finalized comprehensive plan. He stated that per law it must be updated every ten years. There were 51-52 responses to the survey that was sent to town residents. Miller indicated to the board the changes the Plan Commission suggested. After considerable discussion, Anderson made a motion, seconded by Lohr, to approve resolution 23-01, Recommending Town of Troy Comprehensive Plan, and pass Ordinance 23-02, Adopt the Comprehensive Plan of the Town of Troy, Sauk County, Wisconsin. Motion carried 2-0.

Lohr shared the bridge report MSA submitted. The bridges on Mill, Block, and Factory Roads were inspected. State law states that at least one of the Board of Review members must be certified every year. There will be training on April 29th at Barneveld and virtual training on May 1st. Board Comments:

Anderson reported on the Plain Fire District meeting. Four EMT's have been hired and at the next meeting pricing of a new truck will be on the agenda.

Lohr stated that the Sauk City Fire District will not be compensating representatives for fire meetings and only one representative per township/village is suggested. A new brush truck is being considered as a purchase item.

The board will attend the WTA district meeting on Thursday, February 16th at the Knights of Columbus Hall in Reedsburg.

Zins received a phone call from Richard Nolden, Town of Prairie du Sac Clerk, inquiring if the board is considering road construction on the shared portion of Skunk Valley. Nolden stated their board is receptive to any maintenance. Lohr indicated that it will be chip sealed this summer.

Lohr made a motion, seconded by Anderson, to adjourn. Motion carried 2-0.

Meeting adjourned at 8:30 p.m.

Respectively submitted,

Mary Zins, Clerk
