Who may vote at an annual meeting?

Any "qualified" elector of the town may vote. See s. 60.14 (1), Wis. Stat. This means that the person must be at least 18 years old and be a town resident. The person must also be eligible to vote in regular elections pursuant to Chapter 6 of the Wisconsin Statutes. For example, a person declared incompetent to vote by a judge would not be eligible to vote at the annual meeting. See S. 6.03, Wis. Stat.

NOTE:

1. An elector does not have to be a registered voter to be eligible to vote at the annual meeting.
2. While an elector must be a town resident, he or she is not required to own property in the town. In other words, renters may vote.
3. Non-residents that own property in the town are not permitted to vote. However, the chairman may allow non-residents to speak during the meeting.
4. Remember, proxy voting and absentee voting are not allowed at town elector meetings. *
